ONE LICENSE OFFERS GRATIS LICENSES TO HELP COPE WITH COVID-19 CHALLENGES, VALID THROUGH APRIL 15.

Dear Friends,

As the COVID-19 Coronavirus outbreak continues to unfold, ONE LICENSE— together with hundreds of our Member Publishers—is honored to assist worshipping communities worldwide during this extraordinary time. We are able to provide two different gratis license options valid through April 15, 2020.

A ONE LICENSE Reprint License grants churches, schools, religious communities, retreat centers, and other worshiping bodies permission to reprint or project music for their congregations from any of our Member Publishers. A ONE LICENSE Podcast / Streaming License grants permission to podcast or stream religious services that contain music from our Member Publishers. For new customers or for existing customers who do not already have a Podcast / Streaming License, ONE LICENSE is able to offer a one-month gratis license, valid through April 15, 2020.

Additionally, our team has launched a blog post with helpful tips on navigating community worship during this extraordinary time. This post aims to educate our License Holders on the benefits of using projection screens, tablets, and other personal devices to limit the use of shared worship materials.
