

ELCA Guidebook Info

In an attempt to save costs and paper, while keeping everyone up to date, we will use a customized “ELCA Guidebook App” for Assembly 2020. With just a simple, secure download to your smart phone or tablet, you’ll have instant access to all the documents and information needed, as well as vital and helpful announcements and guidance. The App is free and available to anyone, whether or not you can attend the Assembly.

Instructions:

1. To download the app for your smart phone or tablet, search “ELCA Guide”; and it should pop up (will probably say “ELCA Organizations & Events”). Download and install it on your device.
2. Open the app and tap “Explore” at the bottom of the screen.
3. Then enter “northeastern” into the search bar. Our Guidebook should show as an option. Click on “Get” then “Download” then “Open.”
4. You don’t need to check in at this point. Just tap on the bars ☰ in the upper left-hand corner of the screen to access the menu.

You can also access the guidebook on the web at <https://guidebook.com/guide/170618>.

Please note:

All information needed for the Assembly is also available on the synod website at <http://nepasynod.org/assembly2020-info>.
