Does your congregation have an upcoming event you’d like to promote? How about a ministry or ongoing project you’d like to share about? Let’s get it on the NEPS Facebook page! (www.facebook.com/NEPSYNOD)

If you have something you’d like to share, please send a brief write-up AND at least one picture to Paul Braden (nepsinfo1988@gmail.com) or Samantha Drennan (sldrennan1@gmail.com) and they will create a post. Please note, you MUST include a picture.

This way, EVERYONE can see what is happening in your corner of the Synod. Great things are happening, so let’s share them! #GodsWorkOurHands
