*S2.02. The name Evangelical Lutheran Church in America (ELCA or “this church”) as used herein refers in general references to this whole church, including its three expressions: congregations, synods, and the churchwide organization. Chapter 4
CONFESSION OF FAITH

*S4.01. This synod confesses the Triune God, Father, Son, and Holy Spirit.

*S4.02. This synod confesses Jesus Christ as Lord and Savior and the Gospel as the power of God for the salvation of all who believe.

   a. Jesus Christ is the Word of God incarnate, through whom everything was made and through whose life, death, and resurrection God fashions a new creation.
   b. The proclamation of God's message to us as both Law and Gospel is the Word of God, revealing judgment and mercy through word and deed, beginning with the Word in creation, continuing in the history of Israel, and centering in all its fullness in the person and work of Jesus Christ.
   c. The canonical Scriptures of the Old and New Testaments are the written Word of God. Inspired by God's Spirit speaking through their authors, they record and announce God's revelation centering in Jesus Christ. Through them God's Spirit speaks to us to create and sustain Christian faith and fellowship for service in the world.

*S4.03. This synod accepts the canonical Scriptures of the Old and New Testaments as the inspired Word of God and the authoritative source and norm of its proclamation, faith, and life.

*S4.04. This synod accepts the Apostles', Nicene, and Athanasian Creeds as true declarations of the faith of this synod.

*S4.05. This synod accepts the Unaltered Augsburg Confession as a true witness to the Gospel, acknowledging as one with it in faith and doctrine all churches that likewise accept the teachings of the Unaltered Augsburg Confession.

*S4.06. This synod accepts the other confessional writings in the Book of Concord, namely, the Apology of the Augsburg Confession, the Smalcald Articles and the Treatise, the Small Catechism, the Large Catechism, and the Formula of Concord, as further valid interpretations of the faith of the Church.

*S4.07. This synod confesses the Gospel, recorded in the Holy Scriptures and confessed in the ecumenical creeds and Lutheran confessional writings, as the power of God to create and sustain the Church for God's mission in the world.

Chapter 5
NATURE OF THE CHURCH

*S5.01. All power in the Church belongs to our Lord Jesus Christ, its head. All actions of this synod are to be carried out under his rule and authority.

*S5.02 This church confesses the one, holy, catholic, and apostolic Church and is resolved to serve Christian unity throughout the world.

*S5.03. The Church exists both as an inclusive fellowship and as local congregations gathered for worship and Christian service. Congregations find their fulfillment in the universal community of the Church, and the universal Church exists in and through congregations. This church, therefore, derives its character and powers both from the sanction and representation of its congregations and from its inherent nature as an expression of the broader fellowship of the faithful. In length, it acknowledges itself to be in the historic continuity of the communion of saints; in breadth, it expresses the fellowship of believers and congregations in our day.
This church, inspired and led by the Holy Spirit, participates in The Lutheran World Federation as a global communion of churches, engaging in faithful witness to the gospel of Jesus Christ and in service for the sake of God’s mission in the world.

If no one is elected on the first ballot, the second ballot shall be limited to the two persons (plus ties) who receive the greatest number of votes on the first ballot. This same procedure shall be followed for other elections by the Mission District Assembly.

1) Clusters or coalitions are groups of congregations reflecting close ties with each other because of geographic or socioeconomic considerations.

**Chapter 13**

**CONGREGATIONS**

*S13.01. Each congregation, except those certified as congregations of the Evangelical Lutheran Church in America by the uniting churches, prior to being listed in the roster of congregations of this synod, shall adopt the *Model Constitution for Congregations* or one acceptable to this synod, that is not in contradiction to the constitution and bylaws of the Evangelical Lutheran Church in America.

a. **New Congregations.** A congregation newly formed by this church and any congregation seeking recognition and reception by this church shall:

1) Accept the criteria for recognition and reception as a congregation of this church, fulfill the functions of the congregation, and accept the governance provisions as provided in Chapter 9 of the constitution and bylaws of this church.

2) Adopt governing documents that include fully and without alterations the Preamble, Chapter 1, where applicable, and all required provisions of Chapters 2, 3, 4, 5, 6, 7, 8, 9, 15, 16, 17, 18, and 19 in the *Model Constitution for Congregations* consistent with requirements of the constitutions, bylaws, and continuing resolutions of this church. Bylaws and continuing resolutions, appropriate for inclusion in these chapters and not in conflict with these required provisions in the *Model Constitution for Congregations*, the constitution of this synod, or the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*, may be adopted as described in Chapters 16 and 18 of the *Model Constitution for Congregations*.

3) Accept the commitments expected of all congregations of this church as stated in *C6.01.*, *C6.02.*, and *C6.03.* of the *Model Constitution for Congregations*.

b. **Congregations from another church body.** If a congregation is a member of another church body, the leadership of the congregation first should consult with the appropriate authorities of that church body before taking action to leave its current church body. After such consultation, leaders of the congregation should contact the ELCA synod bishop or staff where the congregation is located. The synod bishop or synod staff where the transferring or independent congregation is located shall confer with the congregation to assure its understanding and acceptance of commitment to and affiliation with this church.

c. **Recognition and reception.** Recognition and reception into this church of transferring or independent congregations by the Evangelical Lutheran Church in America is based on the judgment of the synod and action by the synod through the Synod Council and Synod Assembly. The synod bishop shall provide for prompt reporting of such additions to the secretary of this church for addition to the roster of congregations.

*S13.02. It shall be the responsibility of each congregation of this synod to choose from among its voting members laypersons to serve as members of the Synod Assembly as well as persons to represent it at meetings of any conference, cluster, coalition, or other area subdivision of which it is a member. The number of persons to be elected by each congregation and other qualifications shall be as prescribed in guidelines established by this synod.*

S13.11. **When a rostered minister resigns a call,** the Congregation Council shall receive the letter of resignation, report it to the congregation, and at once notify the bishop of this synod.

*S13.20. A congregation considering a relocation shall confer with the bishop of the synod in which it is territorially located and the appropriate unit of the churchwide organization before any steps are taken leading to such action. The approval of the Synod Council shall be received before any such action is effected.*
A congregation considering development of an additional site to be used regularly for worship shall confer with the bishop of the synod in which it is territorially located and the appropriate unit of the churchwide organization before any steps are taken leading to such action.

The term "pastoral charge" shall mean the basic unit of pastoral care in charge of at least one pastor. The word "congregation" shall mean the basic unit into which are organized persons baptized in the faith confessed in the laws of the church. A pastoral charge may include one or more congregations. When a pastoral charge contains only one congregation it may be referred to interchangeably by either term.

Each congregation of the Evangelical Lutheran Church in America within the territory of this synod, except those which are in partnership with the Slovak Zion Synod, shall establish and maintain a relationship with this synod.

Provision 9.71. of the constitution of this church shall govern the relationship of this synod and a congregation of this synod regarding the property of the congregation. This synod may transfer or convey property to a congregation of the synod, subject to restrictions accepted by the congregation, including provision that if the Synod Council, in its sole and exclusive discretion, determines (1) that the property is not being used to serve the mission and ministry needs of this church, or (2) that the congregation has transferred, encumbered, mortgaged, or in any way burdened or impaired any right, title, or interest in the property without the prior approval of the Synod Council, then title to the property shall revert to the synod, and the congregation, upon written demand, shall reconvey the property to the synod.

The Synod Council, itself or through trustees appointed by it, may take charge and control of the property of a congregation of this synod to hold, manage, and convey the same on behalf of this synod, if any of the following apply:
   a. The congregation has disbanded, ceased to worship, or otherwise ceased to exist as a congregation.
   b. The congregation has abandoned its property.
   c. The remaining members of the congregation decide that it is no longer possible to function as a congregation or that they are unable to provide required governance.
   d. The Synod Council determines that the membership of a congregation has become so scattered or so diminished in numbers that it cannot provide required governance or that it has become impractical for the congregation to fulfill the purposes for which it was organized.
   e. The Synod Council determines that it is necessary for this synod to protect and preserve the congregation’s property from waste and deterioration.

The congregation shall have the right to appeal any such decision to the next Synod Assembly.

This synod may temporarily assume administration of a congregation upon its request or with its concurrence. Such synod administration shall continue only so long as necessary to complete the purpose for which it was requested by the congregation or until the congregation withdraws consent to continued administration.

Discipline

Congregations and members of congregations are subject to discipline in accordance with the provisions of Chapter 20 of the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America. The synod’s involvement in and responsibility for such disciplinary processes shall be as set forth in that chapter.

The provisions of the ELCA constitution 20.11. through 20.16., inclusive, and of the ELCA bylaws 20.31.01. through 20.31.05., inclusive, with respect to congregations are incorporated herein by reference. The provisions of the ELCA constitution 20.11. through 20.16., inclusive, and of the ELCA bylaws 20.41.01. through 20.41.05., inclusive, with respect to members of the congregations are incorporated herein by reference.

shall be served by leadership under the criteria of this church, and shall be subject to the discipline of this church.

   6) encourage adherence to covenantal relationship with this church as expressed in the Constitutions, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

S14.13. The pastor (a) shall keep accurate parochial records of all baptisms, confirmations, marriages, burials, communicants, members received, and members dismissed or members excluded from the congregation, (b) shall submit a summary of such statistics annually to this synod, and (c) shall become a member of the congregation that has extended the letter of call. In a pastoral charge of multiple congregations, the pastor shall hold membership in one of the congregations.

S14.14. Whenever members of a congregation move to such a distance that regular attendance at its services becomes impractical, it shall be the duty of the pastor to commend them, upon their consent, to the pastoral care of a congregation nearer to their place of residence.

S14.15. Each minister of Word and Sacrament on the roster of this synod shall submit a report of his or her ministry to the bishop of the synod at least 90 days prior to each regular meeting of the Synod Assembly.

*S14.16. When a congregation of this church desires to call a pastor or a candidate for the ministry of Word and Sacrament of this church:

a. Each congregation of this synod shall consult the bishop of this synod before taking any steps leading to the extending of a call to a prospective pastor.
b. For issuance of a letter of call to a pastor or candidate by a congregation of this synod in accord with ELCA constitutional provision 7.41, a two-thirds vote shall be required of voting members of the congregation present and voting at a meeting regularly called for the purpose of issuing such a call.

c. When the congregation has voted to issue a call to a prospective pastor, the letter of call shall be submitted to the bishop of this synod for the bishop’s signature.

BLS14.16.a. At the time of pastoral vacancy, an interim pastor shall be appointed by the bishop with the consent of the Congregation Council or councils of the vacant pastoral charge.

b. When a pastoral vacancy occurs, each Congregation Council affected shall immediately notify in writing the bishop of this synod and the dean of the Mission District. The bishop shall call a conference to be attended by the bishop or an appointed deputy, the dean of the Mission District, and the Congregation Council.

c. Nominations for the filling of pastoral vacancies must be made to the pastoral call committee of the pastoral charge through and with the approval of the bishop, and without that approval no nominee shall at any time be considered. In the consideration of candidates for the vacancy, names may be suggested to the bishop by the Congregation Council or by the dean of the Mission District.

d. When the Congregation Council has decided to recommend to the pastoral charge for its call as pastor a particular nominee, duly suggested and approved, an election shall be conducted under the supervision of the bishop or a deputy appointed for the purpose. Balloting shall be limited at any Congregation Meeting to a single nomination, presented by the Congregation Council with at least two-thirds of its members concurring. In multiple-congregation pastoral charges a majority vote in each congregation and a two-thirds majority of the total shall be sufficient to elect.

S14.17. No minister of Word and Sacrament shall accept a call without first conferring with the bishop of this synod. A minister of Word and Sacrament shall respond with a letter of acceptance or declination to a letter of call within thirty days of receipt of such call. In exceptional circumstances with the approval of the bishop of this synod and the president of the Congregation Council of the congregation issuing the call, additional time may be granted to respond to a letter of call.

*S14.18. The provisions for termination of the mutual relationship between a minister of Word and Sacrament and a congregation shall be as follows:

a. The call of a congregation, when accepted by a pastor, shall constitute a continuing mutual relationship and commitment which shall be terminated only by the pastor’s death or, following consultation with the synod bishop and for the following reasons:

1) mutual agreement to terminate the call or the completion of a call for a specific term;
2) resignation of the pastor, which shall become effective, unless otherwise agreed, no later than 30 days after the date on which it was submitted;

1) the bishop in his or her sole discretion may investigate such conditions personally together with a committee of two rostered ministers and one layperson, or
2) when such allegations have been brought to the synod’s attention by an official recital of allegations by the congregation council or by a petition signed by at least one-third of
the voting members of the congregation, the bishop personally shall investigate such conditions together with a committee of two rostered ministers and one layperson.

c. In case of alleged physical disability or mental incapacity under paragraph a.4) above, the bishop's committee shall obtain and document competent medical opinion concerning the pastor's condition. When a disability or incapacity is evident to the committee, the bishop of this synod may declare the pastorate vacant. When the pastorate is declared vacant, the Synod Council shall list the pastor on the roster of Ministers of Word and Sacrament with disability status. Upon removal of the disability and restoration of the pastor to health, the bishop shall take steps to enable the pastor to resume the ministry, either in the congregation last served or in another appropriate call.

d. In the case of alleged local difficulties that imperil the effective functioning of the congregation under paragraph a.3) above, the bishop's committee shall endeavor to hear from all concerned persons, after which the bishop together with the committee shall present their recommendations first to the pastor and then to the congregation. The recommendations of the bishop's committee must address whether the pastor's call should come to an end and, if so, may suggest appropriate severance arrangements. The committee may also propose other actions that should be undertaken by the congregation and by the pastor, if appropriate. If the pastor and congregation agree to carry out such recommendations, no further action need be taken by the synod.

e. If either party fails to assent to the recommendations of the bishop's committee concerning the pastor's call, the congregation may dismiss the pastor only at a legally called meeting after consultation with the bishop, either (a) by a two-thirds vote of the voting members present and voting where the bishop and the committee did not recommend termination of the call, or (b) by a majority vote of the voting members present and voting where the bishop and the committee recommended termination of the call.

f. If, in the course of proceedings described in paragraph c. or paragraph d. above, the bishop’s committee concludes that there may be grounds for disciplinary action, the committee shall make recommendations concerning disciplinary action in accordance with the provisions of this church’s constitution, bylaws, and continuing resolutions.

*S14.19. Ministers of Word and Sacrament shall respect the integrity of the ministry of congregations which they do not serve and shall not exercise ministerial functions therein unless invited to do so by the pastor, or, if there is no duly called pastor, then by the interim pastor in consultation with the Congregation Council.

Upon completion of service, the interim pastor shall certify to the bishop of this synod that the parochial records, for the period for which the interim pastor was responsible, are in order.

*S14.24. With the approval of the synod bishop expressed in writing, which sets forth a clear statement of the purpose to be served by such a departure from the normal rule of permanency of the call as

Prior to the completion of a term, the bishop of this synod or a representative of the bishop shall meet with the pastor and representatives of the congregation for a review of the call. Such call may also be terminated before its expiration in accordance with the provisions of *S14.18.

A minister of Word and Service shall respond with an answer of acceptance or declination to a letter of call within 30 days of receipt of such call. 2) when such allegations have been brought to the synod’s attention by an official recital of allegations by the Congregation Council or by a petition signed by at least one-third of the voting members of the congregation, the bishop personally shall investigate such conditions together with a committee of two rostered ministers and one layperson.

c. In case of alleged physical disability or mental incapacity under paragraph a.4) above, the bishop’s committee shall obtain and document competent medical opinion concerning the minister of Word and Service’s condition. f. If, in the course of proceedings described in paragraph c. or paragraph d. above, the bishop’s committee concludes that there may be grounds for disciplinary action, the committee shall make recommendations concerning disciplinary action in accordance with the provisions of this church’s constitution, bylaws, and continuing resolutions.

Chapter 15
FINANCIAL MATTERS

*S15.01. The fiscal year of this synod shall be February 1 through January 31.

*S15.11. Since the congregations, synods, and churchwide organization are interdependent expressions that share in God's mission, all share in the responsibility to develop, implement, and strengthen the financial support of the whole church. The gifts and offerings of the members of the Evangelical Lutheran Church in America are given to support all parts of this church, the unity of this church should be evidenced in determining each part's share of the gifts and offerings. Therefore:

a. The mission of this church beyond the congregation is to be supported by such a proportionate share of each congregation's annual budget as each congregation determines. This synod shall develop guidelines for determining “proportionate share,” and shall consult with congregational leaders to assist each congregation in making its determination.

b. This synod shall receive the proportionate share of the mission support from its congregations, and shall transmit that percentage or amount of each congregation's mission support as determined in consultation with the churchwide organization and approved by the Synod Assembly as part of its budget consideration.

c. Should the Synod Assembly not approve the proportionate share of mission support determined in consultation with the churchwide organization, a new consultation with the churchwide organization shall take place. The Synod Council is authorized to amend the budget adopted by the Synod Assembly to reflect the results of this consultation.

*S15.12. The annual budget of this synod shall reflect the entire range of its own activities and its commitment to supportive funding with other synods and the churchwide organization.

S15.13. On the basis of estimated income, the Synod Council shall authorize expenditures within the budget for the fiscal year. Expenditure authorizations shall be subject to revision, in light of changing conditions, by the Synod Council.

S15.14. Except when such procedure would jeopardize current operations, a reserve amounting to no more than 16% of the sum of the amounts scheduled in the next year's budget for regular distribution to synod causes shall be carried forward annually for disbursement in the following year in the interest of making possible a more even flow of income to such causes. The exact number of dollars to be held in reserve shall be determined by the Synod Council.

S15.21. No appeal to congregations of this or any other synod of the Evangelical Lutheran Church in America for the raising of funds shall be conducted by congregations or organizations related to or affiliated with this synod without the consent of the Synod Assembly or the Synod Council.

*S15.31. This synod shall arrange to have an annual audit of its financial records conducted by a certified public accountant firm recommended by the synod Audit Committee and approved by the Synod
Council. The audited annual financial report shall be submitted by this synod to the churchwide Office of the Treasurer and to the congregations of this synod. The financial reports shall be in the format approved from time to time by the churchwide Office of the Treasurer.

*S15.32. This synod shall maintain adequate, continuous insurance coverage in accordance with standards recommended by the churchwide organization. Insurance programs offered or endorsed by the churchwide organization shall be deemed to fulfill this obligation.

INDEMNIFICATION

*S16.01. Subject to the limitations and duties imposed by law, each person who is or was made or threatened to be made a party to any proceeding by reason of the present or former capacity of that person as a Synod Council member, officer, employee, or committee member of this synod shall be indemnified against all costs and expenses incurred by that person in connection with the proceeding. Indemnification of any person by reason of that person's capacity as a director, officer, employee, or committee member of any other organization, regardless of its form or relationship to this synod, is subject to the provisions of section *S16.02.

a. The term "proceeding" means a threatened, pending, or completed lawsuit, whether civil or criminal, an administrative or investigative matter, arbitration, mediation, alternative dispute resolution, or any other similar legal or governmental action. Except as otherwise required by law, the term "proceeding" does not include (a) any action by this synod against the individual seeking indemnification, or (b) subject to *S16.04., a disciplinary hearing or related process described in Chapter 20 of the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

b. The term "indemnification" includes reimbursement and advances of costs and expenses for judgments, penalties, fines, settlements, excise taxes, reasonable attorneys' fees, disbursements, and similar required expenditures.

*S16.02. Whenever a person who, while a Synod Council member, officer, committee member, or employee of this synod, is or was serving at the request of this synod as (or whose duties in that position involve or involved service in the capacity of) a director, officer, partner, trustee, employee, or agent of another organization, is or was made or threatened to be made a party to a proceeding by reason of such capacity, then such person shall be entitled to indemnification only if (a) the Synod Council has established a process for determining whether a person serving in the capacity described in this section shall be entitled to indemnification in any specific case, and (b) that process has been applied in making a specific determination that such person is entitled to indemnification.

*S16.03. This synod may purchase and maintain insurance on behalf of itself or any person entitled to indemnification pursuant to this chapter against any liability asserted against and incurred by this synod or by such other person in or arising from a capacity described in section *S16.01. or section *S16.02.

*S16.04. When written charges against a rostered minister of this church are made in disciplinary proceedings under Chapter 20 of the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America by the synod bishop or when written charges against a congregation are made in disciplinary proceedings by the Synod Council or the synod bishop, and the discipline hearing committee determines that no discipline shall be imposed, then if such determination is not reversed or set aside on appeal, indemnification shall be made by the synod to the accused for reasonable attorney's fees and other reasonable expenses related to the defense of the charges. The determination of the reasonableness of such fees and expenses shall be decided by the Synod Council.

Chapter 17
CONSULTATION AND ADJUDICATION
*S17.01. The synod bishop and the Executive Committee of the Synod Council shall be available to give counsel when disputes arise within this synod.

*S17.02. The synod bishop and the Executive Committee of the Synod Council shall receive expressions of concern from rostered ministers of this church, congregations, and organizations within this synod; provide a forum in which the parties concerned can seek to work out matters causing distress or conflict; and make appropriate recommendations for their resolution. When a concern relates directly to the synod bishop, the synod vice president will lead the Executive Committee’s efforts at resolving the matter. When the matter at issue cannot be resolved in this manner, applicable procedures for investigation, decision, appeal, and adjudication shall be followed. Allegations or charges that could lead to the discipline of a rostered minister of this church shall not be addressed by the Executive Committee but shall be resolved through the disciplinary process set forth in the Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America.

*S17.03. When there is disagreement between or among congregations of this synod on a substantive issue that cannot be resolved by the parties, the council of an affected congregation may petition the synod bishop for a consultation after informing the other affected congregation(s) of its intent to do so. If this consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee’s efforts fail to resolve the issue, the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The decision of the Synod Council shall be final.

*S17.04. When conferences, clusters, coalitions, or area subdivisions of this synod have a disagreement on a substantive issue that they cannot resolve, the aggrieved party or parties may petition the synod bishop and the Executive Committee of the Synod Council requesting a consultation after informing the other affected parties of their intent to do so. In this case the decision of the Executive Committee shall prevail, except that, upon the motion of a member of the Synod Council, the decision shall be referred to the Synod Council for final action.

*S17.10. Adjudication in a Congregation

*S17.11. When there is disagreement between or among factions within a congregation on a substantive issue which cannot be resolved by the parties, members of the congregation may petition the synod bishop for consultation after informing the president of the Congregation Council of their intent to do so. The synod bishop shall seek a timely resolution of the dispute. If the issue relates directly to the pastor, the bishop may begin the process in *S14.18.d. In all other matters, if the bishop’s consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee’s efforts fail to resolve the dispute, the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The Synod Council’s decision shall be final.

Chapter 18
AMENDMENTS, BYLAWS, AND CONTINUING RESOLUTIONS

*S18.10. Amendments to Constitution

*S18.11. Certain sections of this constitution incorporate and record therein required provisions of the constitution and bylaws of this church. If such provisions are amended by the Churchwide Assembly, corresponding amendments shall be introduced at once into this constitution by the secretary of this synod upon receipt of formal certification thereof from the secretary of the Evangelical Lutheran Church in America.

*S18.12. Whenever the secretary of the Evangelical Lutheran Church in America officially informs this Synod that the Churchwide Assembly has amended the Constitution for Synods, this constitution may be amended to reflect any such amendment by a majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the Constitution for Synods shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt notification of its adoption.
*S18.13. Other amendments to this constitution may be adopted by this synod through either of the following procedures:

a. Introduced with the support of at least 25 voting members and having been approved by a two-thirds vote of the voting members present and voting at a regular meeting of the Synod Assembly, an amendment may be adopted unchanged by a two-thirds vote at the next regular meeting of the Synod Assembly.

b. The Synod Council may propose an amendment, with notice to be sent to the congregations of this synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly. All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council.

*S18.20. Amendments to Bylaws
*S18.21. This synod may adopt Bylaws not in conflict with this constitution nor with the constitution and bylaws of the churchwide organization. This synod may amend its bylaws at any meeting of the Synod Assembly by a two-thirds vote of voting members of the assembly present and voting. Newly adopted bylaws and amendments to existing bylaws shall be reported to the secretary of this church.

*S18.30. Amendments to Continuing Resolutions
*S18.31. This synod may adopt continuing resolutions not in conflict with this constitution or its bylaws or the constitution, bylaws, and continuing resolutions of the churchwide organization. Such continuing resolutions may be adopted or amended by a majority vote of the Synod Assembly or by a two-thirds vote of the Synod Council. Newly adopted continuing resolutions and amendments to existing continuing resolutions shall be reported to the secretary of this church.
