

#LutheranStories Reformation 500

Northeastern Pa Synod

The synod's Faith Formation Resource Ministry Team is collecting stories from across the synod to celebrate the 500th Anniversary of the Reformation!

OUR GOAL

With over 280 congregations in the synod, we are trying to collect at least 500 stories around the synod or more or AT LEAST 2 stories from each congregation.

WHY?

- Stories can help Lutherans from across the synod connect with one another in a meaningful way.
- Our stories can help others know God's abundant love for them.

WHOSE STORIES?

- Yours!
- Confirmation class students
- Children and adults participating in Sunday school
- Youth group participants
- Congregation council members
- People serving on any of the congregation's committees
- Homebound members

WHAT STORIES WILL BE COLLECTED?

We are collecting stories related to the experiences people have with God's grace/unconditional love, Scripture, forgiveness, worship, and more. Pick just one question from the "#LutheranStories Questions" sheet and record responses. Follow this link for directions.

WHAT WILL HAPPEN WITH OUR STORIES?

Our synod's stories - your story and the stories of others - will be posted on the [synod Facebook page](#) and the synod's Twitter and Instagram accounts (both are @nepsynod).

Here's the important part: If we want to share God's Good News with others in our synod and around the world (!) those who are on Facebook or use Twitter or Instagram need to **LIKE** what they read/see and **SHARE** or **RETWEET** the stories. The more people that do this, the more widely the stories will be circulated. Who knows how our stories will touch the lives of those who are hungry to know God's love?

HOW CAN I COLLECT A STORY OR TELL MY OWN?
