### #SMS17

#### Ways to Participate

Check into Facebook, update your status and tell everyone you are at church. Share Something you heard in worship. Share a prayer.

Tweet the sermon. When the pastor says something that jumps out at you, tweet it!

Instagram a selfie from church or a picture of your church - with people, of course. Or the flowers or baptismal font or...

Make a pinboard about your church and pin something from your church website.

Video a part of the service an upload it to YouTube...or use Facebook to do that, too!

Snapchat a story from church.
