

How to get on the supply schedule for congregations in transition?

Due to the supply shortage, the Supply Coordinator will not provide coverage for Interim Ministers.

1. Have congregation fill out **"Pastoral Transition Form."**
 - a. This form collects contact information and basic worship material needed to map out schedule plus is provided to supply ministers.
 - b. Form can be found at godslove.org/supply

New to Pastoral Transition?

We need some information from you before your congregation can be added to the schedule. Please fill out the online form, which will then be submitted to the Supply Coordinator.

No changes or additional days will be added to allow time to assemble the supply schedule. Without this form, congregations will not be added to the monthly schedule.
- b. Form can be found on godslove.org/supply

Sermon February 11 Transfiguration of Our Lord

NEPA SYNOD
NORTHERSTERN PENNSYLVANIA SYNOD

Manuscript Sermons are now available for your congregation to use when a minister is not available to lead worship. These sermons are for lay individuals to present to the congregation if you choose to do so.

This upcoming Sunday's sermon has been provided by:

Deacon Dawn Talley

Sermons will be emailed weekly to all congregations even if a minister is assigned to ensure congregations receive the material. This will also provide an alternative option for any unexpected changes.

If you would not like to receive the manuscript sermons, please notify supply@nepsynod.org to be removed from the distribution list
