

## NEPA SYNOD ASSEMBLY 2024 Travel and Parking

### IMPORTANT NOTES:

- **There is potential for heavy traffic in the region**, possibly slowing traffic on Rt 222 and Rt 183, due to a WW II airshow at the Reading Airport.
- **Parking lots were assigned** based on the selection you made during registration. If you were assigned to Parking Lot A (at the church), your tag was included in the mailing. No tags will be required for the Satellite Parking Lot.
- **We encourage carpooling** which not only helps with limited on-site parking, but also models environmental stewardship, saves financial resources, and provides the added benefit of conversation time to and from Synod Assembly.

Location (GPS) addresses:

- **Atonement Lutheran Church**, 5 Wyomissing Blvd, Wyomissing
- **Satellite parking lot**, Park Rd and Penn Ave, Wyomissing

### DETAILED LOCATION DIRECTIONS:

#### Driving to the Satellite Parking Lot

- Exit Route 422 at the N. Wyomissing Blvd exit, proceed to Park Road and turn left. Continue through 2 traffic lights and look for the driveway entrance on your right which will be clearly marked with a tent and volunteer available. The lot is across Park Rd from Wawa. If you cross over Penn Avenue, you went too far.
- **Shuttle service** will run regularly from 7:30 am until 9:30 am. This lot is a 3 minute shuttle ride/13 minute walk from the church.
- **There will be a drop-off zone** along Wyomissing Blvd in front of the church for those assigned to the satellite lot who wish to drop off passengers and then drive to the satellite lot. Follow the directions to the church, shown below.
- **Driving to the satellite lot from the church:** Turn right at the light (just beyond the church property) onto Penn Ave. Continue through the light at Reading Blvd. Turn left at the light at Park Ave, and then take an immediate left into the designated lot. If you reach the light at Hill Ave., you've gone too far.

#### Driving to the church

- Take the State Hill Road exit off 422 West/ (just past the Berkshire Mall). Turn right onto the ramp to West Reading. Continue through two traffic lights (422 E ramp and Spring St/Granite Pt. Dr.) You will see the church property across the street at the Penn Ave intersection traffic light.
- After crossing Penn Ave, you are now on Wyomissing Blvd. There will be a break in the berm, at Lincoln Ave, to allow you to U-turn after which there is the right-hand turn into the church parking lot for those assigned and a passenger drop-off area just beyond the parking lot for those assigned to the satellite lot.
